

**2021 PSE&G HVAC Instant Rebate Program
Eligible Measures and Incentives**

Residential HVAC and Water Heater Equipment - Electric		
Measure Description	Minimum Efficiency Requirements	Instant Rebate Amount
Central Air Conditioning - Tier 1	ENERGY STAR® Certified SEER \geq 16, EER \geq 13	\$180
Central Air Conditioning - Tier 2	ENERGY STAR Certified SEER \geq 18, EER \geq 13	\$270
Air Source Heat Pump - Tier 1	ENERGY STAR Certified SEER \geq 16, EER \geq 13, HSPF \geq 10	\$300
Air Source Heat Pump - Tier 2	ENERGY STAR Certified SEER \geq 18, EER \geq 13, HSPF \geq 10	\$390
Ductless Mini-Split Heat Pump	ENERGY STAR Certified – V5.0 Single: SEER \geq 18, EER \geq 12 or HSPF \geq 10 Multi: SEER \geq 20, EER \geq 12 or HSPF \geq 12	\$240
Ductless Mini Split A/C	ENERGY STAR Certified – V5.0 SEER \geq 20, EER \geq 12	\$270
Heat Pump Water Heater	ENERGY STAR certified	\$450
Furnace Fan	ECM motor install- retrofit only	\$60
Smart Thermostats	ENERGY STAR® Certified As part of an HVAC install. New installation or replacement of a manual or conventional programmable thermostat.	\$60

Residential HVAC and Water Heater Equipment - Gas		
Measure Description	Minimum Efficiency Requirements	Instant Rebate Amount
Reset controls for boiler		\$75
Gas Boiler – Tier 1	AFUE 90-94.99%	\$270
Gas Boiler – Tier 2	AFUE \geq 95%	\$390
Gas Furnace – Tier 1	AFUE \geq 95 - 96.9%	\$240
Gas Furnace – Tier 2	AFUE \geq 97%	\$360
Gas Combi Heat – Tier 1	AFUE \geq 95%	\$420
Gas Combi Heat – Tier 2	AFUE \geq 97%	\$480
Gas Storage Tank Water Heater – Tier 1	Power Vented $<$ 55 gallons, UEF \geq .64 Medium Draw Pattern, High Draw Pattern UEF \geq 0.68	\$150
Gas Storage Tank Water Heater – Tier 2	Power Vented \geq 55 gallons, UEF \geq 0.78 Medium Draw Pattern, High Draw Pattern UEF \geq 0.80	\$150
Tankless Water Heater	UEF \geq 0.87	\$150
Indirect - Fired Storage Tank Water Heater	When paired with a qualifying AFUE 90%+ gas boiler	\$150
Qualifying Gas Heater with qualifying Gas Water Heat – Tier 1	Qualifying Gas Heat with $<$ 55 gallons and Uniform Energy Factor (UEF) \geq .64 medium draw, \geq .68 high draw	\$450
Qualifying Gas Heater with qualifying Gas Water Heat – Tier 2	Qualifying Gas Heat with \geq 55 gallons and UEF \geq .78 medium draw, \geq .80 high draw or high capacity	\$660
Smart Thermostats	ENERGY STAR® Certified As part of an HVAC install. New installation or replacement of a manual or conventional programmable thermostat.	\$60
